1. Go to <https://www.neuraldesigner.com/products/purchase>
2. Select your License Plan and "Credit card" in the payment options menu.

Large Plan

Lifetime

Credit card

Billing email

Company

Address

Tax ID

3. Fill in your details.
4. You will find the License Plan, price, and expiration date on the table below. If any of these fields is different from your quote, please, contact us.

Check the license details:

License:	Large Plan
Price:	\$ 18,745
Expiration date:	Lifetime

5. Proceed to the virtual TPV payment platform and follow the steps shown there.

The screenshot shows the Sabadell payment interface. At the top, the Sabadell logo is on the left and a language selector is on the right, set to 'English'. Below the header is a progress bar with four steps: 1. Choose payment method, 2. Checking authentication, 3. Authenticating card, and 4. Transaction result. The main content area is divided into two panels. The left panel, titled 'Payment details', contains the following information: Amount: 18,745.00 \$; Merchant: NEURAL DESIGNER (ESPAÑA); Terminal: 336194170-2; Order: 1645441154; Date: 21/02/2022 11:59; Product description: Large License. The right panel, titled 'Payment by Card', shows a form for entering card details: Card Number (input field), Expiry Date (mm yy), and CVV (input field with a help icon). There are 'Cancel' and 'Accept' buttons at the bottom of the form. Below the payment details, there are logos for VISA, Mastercard ID Check, and SafeKey. At the bottom of the page, it says 'Powered by Redsys' and '(c) 2022 Redsys Servicios de Procesamiento. SL - All rights reserved.'

3. Credit card payment order

The user provides their credit card information, and Neural Designer collects the amount.

1. After receiving a quote, tell us you want us to charge you to your credit card.
2. Send us your credit card details in a Credit Card Purchase Order, including credit card number, expiration date, name on the card, and CVV2/CVC2 code.
3. You will get a confirmation email.

4. PayPal payment

The user makes the payment through the PayPal platform opened from the Neural Designer website.

1. Go to <https://www.neuraldesigner.com/products/purchase>
